HEAVEN BRHANU

Silver Spring, MD | 667-273-1581 | Heavenbrhanu30@gmail.com | github.com/Heavenb20 | Portfolio

SUMMARY

Aspiring data analyst who is happiest figuring out what people actually need and turning it into answers they can use. Stays steady under pressure, juggles many responsibilities without dropping any, and makes sure no one on the team carries the hard part alone. Asks questions early, learns fast, and takes ownership of getting things right.

EDUCATION

University of Maryland, College Park College Park, MD

B.S. Information Science | Minor: Technology Entrepreneurship & Corporate Innovation *GPA: 3.6+*

Relevant Coursework: Database Design, Data Sources & Manipulation, Statistics, IT Infrastructure & Architecture, UX Design
